

# Endowing the Sioux City Public Museum through the community foundation

Agency Endowment Fund

**We are partnering** with the *Siouxland Community Foundation* to give donors a simple and efficient way to support the **Museum** while providing us with a source of lasting revenue. The **Sioux City Public Museum Education/Exhibit Endowment Fund** is designed to give you access to the most favorable tax advantages available as well as help us develop planned giving programs.

### How it works

- The Sioux City Public Museum Education/Exhibit Endowment Fund was established within the Siouxland Community Foundation in 2007.
- Any donor can add to the fund at any time.
- Siouxland Community Foundation handles all the administrative details - including investment management - so that we can focus on putting our mission into action.
- Gifts made to the Sioux City Public Museum Education/Exhibit Endowment Fund are invested over time. Your gift - and all future earnings from your gift - provides a permanent source of support for the Museum, helping us to do good work forever.
- Iowa residents are eligible for the Endow Iowa tax credit. Donors will receive a **25%** tax credit for each donation, up from the 20% credits previously offered. The tax credit is in addition to any federal tax benefits you may qualify for.

For more information, please call the Sioux City Public Museum at 712-279-6174.

### Giving through a community foundation

Siouxland Community Foundation provides a powerful and highly personal approach to giving to the Sioux City Public Museum.

You can leave a bequest through the community foundation that creates a personal legacy for you and benefits the Museum forever. Siouxland Community Foundation can facilitate even the most complex planned gifts, gifts of appreciated stock or real estate. They manage investment and administrative responsibilities related to endowment so that our staff and volunteer hours are concentrated on fulfilling our mission.
